

Expression of Gratitude by Mr. Pepson Appiadu, Pupil of Modern International School

Dear Chairman, distinguished guests, alumni of Modern International School, former teachers, current staff, parents, fellow students, friends, and all well-wishers of Modern International School,

It is with great pleasure that I extend my heartfelt gratitude to all of you for being here today to celebrate the launch of the Ayiwa Danquah Memorial Foundation LBG during this fifth anniversary commemoration of our mother and great matriarch. This is a significant milestone for our school, and your presence and support mean a lot to us.

Firstly, I would like to extend my heartfelt gratitude to the **Chairperson for the function, Mr. Eric Effah, the School's Principal, and his Vice Chairperson, Mrs. Lynda Phillips, Headmistress of the Ridge School, Kumasi**. Without their dedication and leadership, this function would not have been such a resounding success.

I would also like to specially thank our esteemed guests, **Dr. Patrick Kumah Aboagye**, former Director General of the Ghana Health Services, and **Mr. John Kennedy Agbessi**, Ashanti Regional Director of the National Schools Inspectorate Authority (NaSIA), for taking time out of their busy schedules to be here with us today. Your presence and generous support mean the world to us.

And not to forget **Dr. Joseph Mbawuni**, the Foundation's Auditor, who was unable to be with us here today but without whom the incorporation registration certificate may not have been obtained swiftly, making this launch a reality.

Additionally, I am deeply grateful to the **Nigritian Church**, and to **all our past pupils, students, former teachers** and all **friends and well-wishers** of Modern International School for their invaluable support and contributions. Your dedication to improving our school facilities is truly inspiring. Thank you all for your unwavering commitment.

A special thank you goes to the project teams who have worked tirelessly to present the plans for refurbishing our computer lab and library. These projects will undoubtedly enhance our learning environment and provide us with the resources we need to succeed.

I would also like to express my sincere appreciation to our **school administration, teachers, and staff for their unwavering commitment** to our students' education and well-being. Your hard work and dedication have made this foundation possible.

To my fellow students, thank you for your enthusiasm and support. Together, we will make the most of these new opportunities and continue to strive for excellence.

Lastly, I would like to thank everyone who has contributed to this foundation, whether through donations, volunteer work, or simply being here today. Your generosity and support are greatly appreciated.

Thank you all once again for your presence and support. We look forward to a bright future for Modern International School. May the spirit of Ayiwa Danquah live on, and may God truly bless the Ayiwa Danquah Memorial Foundation LBG and all of us. Amen and Amen!
