🎓 **To All proud past pupils and students of Modern International School - Nursery Kindergarten Primary and JHS, Asokwa & Buokrom, Kumasi Ghana... This message is for you**
🎓

Our beloved Alma Mater has shaped thousands of lives, opened doors, and nurtured dreams. And behind it all **stood a visionary woman** - whom we honor today, **31 March 2026**.

✨ **Mrs. Elizabeth Mavis Anna Afia Ayiwa Danquah Adomako** - (*Sunrise: March 1940 - Sunset: March 2020*) Founder, mother, mentor, and the heartbeat of Modern International School (MISKL).

Today, through the **Ayiwa Danquah Memorial Foundation**, we celebrate and uplift her legacy by supporting the very institution that supported us. **And so we call on every past MISKL son/daughter** -near or far- **to reconnect, unite, and give back in love, gratitude, and pride.**

💛 **On her sixth anniversary, let's continue to honor and sustain her beautiful legacy.**

💛 **Let's invest in the next generation.**

💛 **And let's stand together for the school that made us who we are today.**

✨ **Whether big or small, your support can make a lasting impact.**
