Call for Unity, Communication, and Collaboration

Dear Colleagues,

It has been brought to my attention that several members recently received confusing messages and information. On behalf of the Academy of Cardiovascular Research Excellence (ACRE), I would like to reiterate that we remain steadfast in our support of unity of all members and the cardiovascular community at large. To further achieve this goal, I propose the followings.

- To communicate and learn from each other's strengths
- To expand existing horizons from cardiac to vascular research and vice versa by collaboration
- To share wet- or dry-bench resources, experience, and expertise
- To unite with one voice

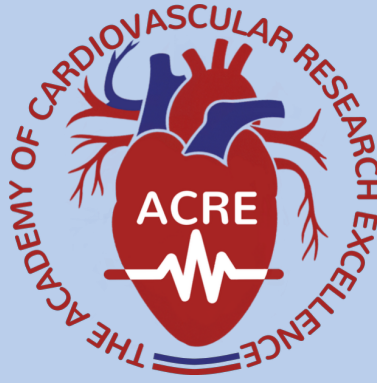

Unity is more critical now than ever. Looking forward, united we prevail; separated we fail.

We welcome any suggestions from members to strengthen our unity. If you have questions, feel free to reach out to any board members. Your voice matters!

Sincerely,

Zhao Wang, PhD

President, the Academy of Cardiovascular Research Excellence (ACRE)

团结-交流-合作倡议

最近获悉有些 ACRE 会员对于我们致力团结的决心存有疑虑和困惑。在此我谨代表 ACRE 承诺我们对于团结整个心血管学界的坚定立场从未改变。我们强烈倡议所有成员加强团结、交流、合作，为心血管研究的进步和新一代科研人员的成长做出有益并有力的贡献。我们倡议：

- 加强交流并取长补短
- 促进心脏研究与血管研究积极合作共赢
- 分享研究资源和专业经验
- 统一心血管研究团体声音

众所周知心血管学界的团结来之不易。期冀大家面向未来，摈弃前嫌，大局为重，团结一心，共创未来。一个众志成城的心血管学界在这个时刻比以往的任何时间都更加难能可贵。历史告诫我们，联合则赢而分崩必输。

我们衷心感谢您一直以来的支持并期待与您共建心血管研究的美好未来。如果您有任何意见与建议，请随时与我们直接联系。

Sincerely,

王兆, PhD

President, the Academy of Cardiovascular Research Excellence (ACRE)
