

Reaching Higher helps businesses reduce turnover and create an engaged workforce!

Reaching Higher, Inc.© is announcing their Reaching Higher for Pros (RH4Pros) leadership course to help organizations empower their people. Reaching Higher is a leadership development organization with over 25 years of experience in empowering people to reach higher personally and professionally.

The RH4Pros leadership course assists organizations by fostering a growth mindset in their people. Reaching Higher's person-centered approach fosters a proactive "way of life" which translates to sustained growth professionally. RH4Pros helps organizations demonstrate their genuine care for their people's well being which is paramount for employee retention.

"It's (Reaching Higher) really quite incredible and very powerful within the organization. And it really helps with our culture here." - Mark Hemeyer CCO Vessco Water & Former Kennedy Industries

Employees will:

- Build their confidence
- Develop influencing skills
- Become aware of obstacles hindering their success
- Create goal-setting strategies that stick
- Enhance their communication skills

Organizations will:

- Reduce employee turnover
- Create a more engaged workforce (with teammates, leadership & to the mission) ●
Demonstrate care of their greatest asset, their people

"This unique course helps leaders/everyone gain perspective, build confidence/presence while enhancing influencing skills and connectivity to others. I love growing alongside!" - Jo Bruce, Executive Coach, Keynote Speaker, and Corporate Trainer/Consultant, author of Better Your Best.
